CROSSGATES AVIAN TEST

Thank you for your enquiry. To help you get the best result from our testing machine we need you to follow the instructions given below.

1. Please fill in the relevant information over the page
2. Provide a sample from approx. 5 birds for every 1,000. (Please wear gloves when taking the feather sample) Please take samples from birds in different areas within your shed. It is not too important where the feather is taken from, but they must be fresh feathers not fallen and from live birds. Feathers may be cut.
3. Seal the bag.
4. Please fill in the relevant information overleaf
5. Send the samples and written information back to us in the envelope provided.

We would hope that the whole process, from your enquiry to receiving the remedy, should not take longer than a week.

Thank you

Here at Crossgates Bioenergetics Ltd, we take your privacy seriously. We will only use your personal information to administer your account and to provide you with the products and services you requested.

We will not share your information with any other individual or company.

Every so often, we would like to keep you updated with any exciting new products or special offers we feel will interest you.

If you are happy to be contacted for this purpose, please tick below to say how you would like to be contacted:
